

TICKE TECHCONSULTING
where solutions s **just a touch** away!'

CUSTOMER ANALYSIS

Tom Ruge

Beginning of our journey

Your Data:

- Purchase channels
- Customer Data
- Product spending
- Promotion campaigns

What you will get!

Primary Goal:

- Segmentation of customer groups

Ancillary objectives:

- Unique insights into your company
- Better use of companies resources

→ Business more profitable

**YOU
GET
WHAT
YOU
GIVE.**

Method: Clustering

- Clustering finds groups of properties in the data.

→ Identifying groups of customers

Let us make the world a better place to be a customer
